

CONVERGENCE 2015 FAMILY GUIDE

TIPS FOR A HAPPY CON:

- Please make sure to accompany young children to all activities, those running the panels are not meant to be babysitters.
- Make sure to check descriptions of all panels and activities in the programming book to make sure they are suitable for your child.
- There are plenty of other activities that are not included in this list, such as the Teen Room in room 222 (open until 1:00 am), please feel free to look through the programming book for other activities you and your child might enjoy.
- If you lose your child, **please immediately go to the Bridge** so they can alert all volunteers to help look.
