## The CONvergence 2022 Restaurant Guide

There are hundreds of restaurants in the Twin Cities, many of them within a walk or a very short drive. In this guide, we list those restaurants that are in the Hyatt and within a very short walking distance. Restaurants in this Guide are open for dine-in; more options offer delivery through Uber Eats, Bite Squad, DoorDash, or Grubhub. Restaurant policies on masking and social distancing vary widely.

Many restaurants have vegetarian, vegan, and gluten-free options available upon request. Most restaurants have free Wi-Fi.

All MN restaurants have wheelchair-accessible entrances, tables, and restrooms. They are also all non-smoking establishments.
